School District No. 41

Rt 1 Box 270
Nehalem, Oregon
Nov. 6, 1952

Mr. E. D. Towler
County School Supt.
Courthouse
Astoria, Oregon

Dear Mr. Towler:

I am sending herewith the Census record for Ferndale District No 41 for school year 1952-53, and regret that it is somewhat delayed, but I had to make three call-backs to get the information needed from a new family in the district.

Regarding this family, I am in question as to whether they can go on our census records so have not written them into the inclosed report. If after reading the explanation following concerning them, in your opinion we can include them, I will be glad to revise the records if you will send me another supply of blanks with nstructions.

The family in question is that of Mr. Wesley A. Jacobs who has purchased a home in the district and has for the past month or more prior to Census date of Oct. 25, been occupying the house himself doing remodeling work on the house, but his family are still living in Rockaway and three of his six childre falling in the census age limit are attending school there since the beginning of the term, but will be attending school in our district in approximately another month. In-as-much-as the greater share of their school year will fall in our district for payment of tuition, I am wondering if this district cannot rightfully claim them on the census record. This may be a matter your office will need to clear with the Tillamook County School Supt. as I feel sure they have probably been listed in the Rockaway Census at this time. Below is the detail of family names and ages:

	Date of birth			Sex		
Shirley Frampton	1	29	33	G	[illegible]	(married living in Rockaway)
Ronald Allen Jacobs	4	28	34	B	18	(Father- Wesley ..
Donnie Lee Jacobs	10	4	37	B	15	Jacobs, P.O.Box 374
Kenneth L. Jacobs	3	19	40	[illegible]	12	Rockaway, Ore.)
Sharon Anne Jacobs	5	19	4[illegible]	G	9	
Linda Carol Jacobs	10	1	47	G	5	

I will be glad to know what your decision is regarding this listing.

Yours truly,
Esther L. Davidson

Dear Mrs. Davidson:

I would suggest that the Jacobs children not be counted on your census as they are still residents of Rockaway and should be listed there. I will leave your letter attached to the census report as a part of it, to help clarify the status of these children.

If you care to check with the Clerk at Rockaway to clarify matters, it would be all right, but it is not necessary unless you personally wish to do so.

Very truly yours,

District Clerk

Directions

1. Within ten days after taking the census, the clerk must send a certified copy of the same to the County School Superintendent.
2. In districts of the second and third class, the clerk must furnish a copy of his census report to the principal or teachers.
3. In using the census blank, clerks will distribute the ages of all children of school age on the table below, using circle (o) to indicate boys, and crosses (x) to indicate girls. Then, in totaling the census, count all the circles, and place them in the proper lines for boys, and count all the crosses, placing them in the proper lines for the girls. All ages will be figured as of October 25.

Report of Physically Handicapped
